GREMLINS Makes World Debut at Yaamava' Resort & Casino at San Manuel

LAS VEGAS — October 28, 2026 — Light & Wonder, Inc. (ASX: LNW) (together with its subsidiaries "Light & Wonder," "L&W" or the "Company") today announces, in partnership with Warner Bros. Global Experiences, the world debut of *GREMLINS*, bringing the beloved film to the casino floor for the first time at Yaamava' Resort & Casino at San Manuel in Highland, California.

Inspired by Warner Bros.'1984 film, *GREMLINS* combines recognizable characters from the fan-favorite franchise with engaging gameplay and feature-rich mechanics. Players will encounter Gizmo and the mischievous Mogwai throughout the base game, where character-driven features can nudge reels, duplicate symbols, add WILD symbols, and award additional prizes.

The game's Coin Feature gives players the opportunity to collect coin values across the reels, with Electric and Water Mogwai adding to the action. Players can also unlock the Jackpot Mayhem Bonus, a Hold & Spin-style feature where Gremlin symbols reveal letters toward five different jackpots. Additional symbols and mechanics, including dartboards and Gizmo, can enhance awards throughout the bonus.

"*GREMLINS* is an instantly recognizable franchise with a personality and sense of fun that translates incredibly well to the casino floor," said Ryan Scott, Senior Vice President of Product Management & Commercial Strategy at Light & Wonder. "We're excited to bring these characters to life through an entertaining experience that pairs the nostalgia players know and love with engaging features and gameplay. Yaamava' is an incredible partner for the world debut, and we're thrilled for players to experience the game for the first time."

"We're always looking for new and exciting experiences to bring to our guests, and we're thrilled to partner with Light & Wonder for the world debut of *GREMLINS*," said Kenji Hall, General Manager of Yaamava' Resort & Casino at San Manuel. "It's an iconic franchise that so many of our guests know and love, and we're excited to be the first casino in the world to offer them the opportunity to experience it on our gaming floor."

The world debut of GREMLINS continues Light & Wonder's focus on bringing some of the world's most recognizable entertainment brands to players through differentiated gaming experiences.

GREMLINS is now available to play at Yaamava' Resort & Casino at San Manuel.
