

LIGHT & WONDER UNVEILS INNOVATIVE OFFERINGS AT G2E 2023

Leading cross-platform global games company presents ground-breaking games, hardware and solutions to elevate the player experience

LAS VEGAS, NEV. – Sept. 28, 2023 – [Light & Wonder, Inc.](#) (NASDAQ and ASX: LNW) (together with its subsidiaries “Light & Wonder,” “L&W” or the “Company”) today announced it will showcase its diverse portfolio of innovations for land-based casinos and the digital gaming sector at the 2023 Global Gaming Expo (“G2E”) Oct. 10-13 in Las Vegas.

The Company will unveil cutting-edge content housed on revolutionary hardware within its G2E booth #1116. The portfolio reflects the company’s unwavering dedication to enhancing the player experience through dynamic customer-focused solutions.

“Light & Wonder is proud to present a stellar lineup of new and beloved content at this year’s G2E, reaffirming our commitment to building great games for multiple platforms,” said Matt Wilson, CEO of Light & Wonder. “Our focused investment in research and development underscores our commitment to delivering customer-centric innovation and an unparalleled player experience.”

Gaming innovations showcased within L&W’s booth #1116 include:

Slots That Excite: Building on the global success of the Company’s MONOPOLY-themed content, Light & Wonder will introduce three new MONOPOLY games housed on the all-new *LANDMARK™ 7000 MONOPOLY CASH WHEEL™*. The new hardware marks the evolution of the top-performing Landmark 7000 gaming machine and will debut alongside the Landmark 7000 Transparent.

The Landmark 7000 Transparent brings video elements to the stepper space with a video reel glass screen for dynamic content delivery. The stand-out cabinet will launch with four all-new titles including *HUFF N’ PUFF™ 3* and *BANG! BAM! BOOM!™*

Elevated Class II Content: L&W will demonstrate its commitment to Class II content with the unveiling of the game-changing *REEL WINNERS™* Wide Area Progressive (WAP) Link. The innovative link will make its G2E debut with the Class II version of the top-performing *FRANKENSTEIN* theme on the *COSMIC™* cabinet. Introduced earlier this year, the cabinet offers a built-in reserve for a faster reset to deliver a seamless player experience.

Industry-Leading Table Games: The Company’s new table progressive system featuring a never-before-seen coin sensor technology will make its premiere within L&W’s G2E booth. This industry-first technology offers a built-in LCD screen, an eye-catching 27-inch LED-trimmed sign and updated software with new bonusing features and enhanced reporting.

Attendees can experience Light & Wonder's *POWERX™ ROULETTE* which takes the classic roulette experience to the next level with a two-level progressive jackpot and offers players the chance to win up to 750 times the value of their wager on a single number.

iGaming: The Company will shine a spotlight on its expanded content roadmap and upcoming network capabilities as part of its iGaming portfolio. Attendees can get a firsthand look at innovations such as True Multiplayer, operator-funded marketing jackpots, daily free games, player retention mechanisms and in-game tournaments.

Systems: The Company's system-agnostic global platform, *L&W ENGAGE*, will also be on display within the L&W booth. *L&W ENGAGE* enables operators to leverage data to execute a cohesive curated customer journey at every touchpoint regardless of location, vertical or platform. With *L&W ENGAGE*'s new Artificial Intelligence tool, operators have access to insights such as player habits, offer preferences and the ability to push real-time marketing to customers. The system's third-party integration allows for a seamless experience at any property.

Forward-Looking Statements

In this press release, Light & Wonder makes "forward-looking statements" within the meaning of

the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results, or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in Light & Wonder's filings with the Securities and Exchange Commission (the "SEC"), including its current reports on Form 8-K, quarterly reports on Form 10-Q and its annual report on Form 10-K that was filed with the SEC on March 1, 2023 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Light & Wonder's ongoing obligations under the U.S. federal securities laws, Light & Wonder undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
