LAS VEGAS, Jan. 21, 2020 /PRNewswire/ -- [Scientific Games Corporation](#) (NASDAQ: SGMS) ("Scientific Games" or the "Company") adds top industry talent to its Gaming leadership team. The Company is building on its foundation, assembling a strong leadership team for long-term success as it continues to lead in large established gaming markets and grow in emerging markets.

Matt Wilson will join the Company as Executive Vice President and Group Chief Executive, Gaming on March 1, 2020 and Siobhan Lane will assume the new role of Chief Commercial Officer, Gaming on February 1, 2020. Connie James joined Scientific Games as the Chief Financial Officer, Gaming on January 6, 2020. Derik Mooberry, who has served as the Gaming Group Chief Executive, will be transitioning to a strategic advisory role to support the new leadership team.

Matt Wilson is an accomplished industry leader known for delivering double digit growth, capitalizing on new business opportunities and developing strong customer relationships. As the former Aristocrat President & Managing Director, Americas, Matt understands the immense potential of the SG business and looks forward to leading the Gaming division into the future.

Matt Wilson will join Scientific Games as Executive Vice President and Group Chief Executive, Gaming

Siobhan Lane has over twelve years' experience in the Gaming industry and a proven track record of driving business results through strong strategic and executional alignment with a focus on building high performing teams and developing an engaging culture. Lane most recently served as Senior Vice President of Marketing and Gaming Operations at Aristocrat Technologies.

Siobhan Lane will assume the new role of Chief Commercial Officer, Gaming at Scientific Games

Connie James is a global finance executive with a history of delivering successful business, cultural and financial transformations. She previously served as the Chief Financial Officer of the global, land-based Gaming division at Aristocrat Technologies and most recently served as the Corporate Vice President Finance - Business Operations and Supply Chain at Cargill.

"We have assembled an impressive leadership team that will complement the existing leaders and talent in our business, further strengthening our great organization and enabling our future potential," said Scientific Games President and CEO Barry Cottle. "We are committed to making great games and products players and partners love. A strong team of passionate people is the foundation of any great business and will further solidify our position as the world leader in gaming entertainment."

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of

1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
