

Throughout the game, anticipation builds for the player as the bowl of golden coins on the top screen fills, while Wilds enter the screen to generate more wins for the player. Roaring Tiger Re-spins are triggered when scatter symbols land on reels two and three, triggering a re-spin on reel four and the chance to win ten free spins.

WILD WILD JACKPOT GEMS™

Wild Wild Jackpot Gems™ is one of Everi's newest for-sale linked progressive titles with a ton of upside where players can win progressives with combinations of double and single wild gems.

With the Doubling Wild bonus, the 2x jackpot and jackpot symbols are wild and substitute for any symbol except jackpot symbols to make for winning combinations. One 2x jackpot symbol doubles a winning non-jackpot combination while two 2x jackpot symbols pay 4x a winning non-jackpot combination.

With the Symbol-Triggered Progressive bonus, three 2x jackpot symbols trigger the top tier progressive jackpot while three jackpot symbols award the second tier progressive at max bet.

Wild Wild Jackpot Gems is available

on the Player Classic™ Boost cabinet. Players will appreciate game content displayed seamlessly across the Apex U™ topper, updating as players increase their bets and earn prizes.

ADAM LEVINE

Slot play can turn into a guitar giveaway with IGT's Adam Levine Video Slots. In Adam's Guitar Solo bonus, players interact with a full-display guitar to make selections that award credits and multipliers. If players find five music notes in the bonus, they are awarded an Adam Levine collector's guitar and \$2,000.

The title's jukebox feature offers players a choice of seven different popular Adam Levine songs to rock out to during base-game play. Players are eligible for the top jackpot and guitar giveaway at all bet levels. Housed on the CrystalCurve™ Ultra gaming machine, this 3x5 reel, 40 pay-line game features a 75-credit cost to cover.

GOLD OF TENOCHTITLAN™

Players can enter a world of ancient wealth with an entirely new symbol-driven jackpot journey from Konami Gaming, Inc. Based on the historic Aztec city filled with fortune and prosperity, Gold of Tenochtitlan™ features radiant

gold art elements and a captivating credit collect bonus.

Anytime a credit prize symbol lands on each of the first four reels with a Gold Sun symbol on reel 5, the Stay & Spin™ bonus feature is triggered. Blue credit prize symbols stay fixed, while the remaining red symbol positions spin as independent reels. Players continue to collect instant prizes until all the reels are filled. Any Gold Sun symbols that land during the bonus feature trigger an extra jackpot boost, ranging from \$10 to \$10,000, as well as an instant award of all displayed prizes as all symbol positions reset to unlocked. When players bet max during the primary game, an additional row of prizes is awarded during the bonus, for better odds of achieving the full \$10,000 jackpot boost.

Gold of Tenochtitlan can be featured on Konami's 43" curved Concerto™ Crescent™ or tall Concerto Stack™.

INVADERS ATTACK FROM THE PLANET MOOLAH™

Chase the mythical Unicow on its largest stage yet. The Invaders from the Planet Moolah™ are back and creating pandemonium on the reels. Invaders Attack from the Planet Moolah™ is a 5-reel, 30-line game showcased on the dramatic TwinStar® Ultra cabinet featuring a 55-inch UHD top screen that when banked creates an out-of-this-world community gaming experience.

Invaders Attack includes all of the game features players love from the original classic, including the Cascading Reels feature where if a winning combination

appears, the symbols involved disappear and are replaced by new symbols. The number of cascades in a row triggers and determines the number of free games during the player-favorite Invasion Free Plays Bonus, where 12 cascades award 200 free games. Prior to the free games commencing, players are granted the new Spaceship Bonus, a spin of a two-tiered wheel. The outer wheel awards the type of free plays bonus to be played, such as the We're Multiplying Bonus with random Wild Multipliers or the We Want Our Cows Backs Bonus with added wilds. The inner wheel can award a Blast Feature that replaces 11 positions with the same symbol or the Jackpot Abduction that awards credit prizes, jackpots, or an additional spin of the wheel.

KINGDOM CASH PLAINS™

The mystic and allure of the Great Plains is captured in AGS' new Kingdom Cash Plains™, a high-volatility game in

its Kingdom Cash family.

This 50-line, penny denomination game delivers excitement with the Kingdom Cash Bonus, which can be won with three bonus symbols. During each level, the player selects one hidden option, revealing either a free-spin award, a jackpot award, or no award. A single jackpot symbol awards a credit prize, while two or more jackpot symbols award one of the four jackpot prizes. The top two jackpot awards (Grand and Major) are linked across the family for the potential of massive wins, while the Minor and Mini jackpots are static and scale with bet according to the bet multiplier, creating incentive to bet higher for better rewards on more frequent-hitting jackpots.

SUPER VOLCANO 7s

Everybody loves a wheel. Part of Ainsworth's successful Quick Spin series of games, Super Volcano 7s is now available exclusively for the Class II market.

Super Volcano 7s is a fixed 40 line game with a 10 credit ante bet (50 credits). When the bet is increased, the prizes on the wheel increase accordingly.

A single wheel spin is triggered by six or more 'Wheel' symbols. The more 'Wheel' symbols that appear, the higher the multiplier that is applied to the win on the wheel. Players can get up to a 5x multiplier with 10 or more 'Wheel' symbols.

A free games feature is triggered by three scattered 'Bonus' symbols. Eight free games are awarded with the opportunity to retrigger additional free games.

Super Volcano 7s is available on the premium A640 and A560SL Noir cabinets and offers lower volatility, easy to understand gameplay and a massive wheel that stands out on casino floors.

ULTIMATE FIRE LINK® - GLACIER GOLD™ & BY THE BAY™

Ultimate Fire Link® – By the Bay™ and Ultimate Fire Link® – Glacier Gold™ are two exhilarating new games in the successful Ultimate Fire Link series. The series showcases fast-paced, progressive games that offer players a heart-pounding slot experience. Like the other games in the series, By the Bay and Glacier Gold feature a free games bonus and the action-packed Fire Link Feature™, a thrilling lock-and-spin feature that builds breathtaking excitement with

every fireball that lands on the reels.

The Fire Link Feature is triggered by four or more Fireball symbols that lock in place and award three free spins. During the free spins, every new Fireball symbol locks in place and resets the free spins. When a set number of Fireballs are achieved, a new row is unlocked and added to the reels. Credit values and Progressive Jackpots are displayed on the Fireballs, and increase in value as rows unlock. When no spins remain, the sum value of all locked Fireballs is awarded. In By the Bay, there is also a free games bonus with expanded reels and Fireballs that award credit prizes. During Glacier Gold's free games bonus, Fireballs also award credit prizes and additional free games can be won.

players more chances to win, and now features AGS' award-winning Stax™ progressive, which is based on the proprietary Kill Bonus bet.

Dai Bacc lets players make high-paying bonus wagers on the player hand, banker hand, and on the "kill bet" that enables players to win, even if they have lost their main wagers. Dai Bacc offers three side bets: Tiger 7, Ox 6, and the Kill Bonus. Tiger 7 wins 40-1 when the banker hand has a three-card total of 7 and wins. Ox 6 wins 40-1 when the player has a three-card total of 6 and wins. The Kill Bonus wins 30-1 two ways: when the Tiger Bonus bet loses or ties with a three-card banker 7, or when the Ox Bonus bet loses or ties with a three-card player 6. ♣
