Innovative Canadian developer boosts global operator network

LAS VEGAS – October 7th, 2022 – [Light & Wonder, Inc.](#) (NASDAQ: LNW) (“Light & Wonder,” “L&W” or the “Company”) has enhanced its *OPENGAMING* aggregation platform with the exclusive addition of multiplayer platform provider and game supplier PLAYJEUX STUDIOS.

Based in Montreal, Quebec, PlayJeux is committed to building a next-generation multiplayer platform to create a gaming experience that is high quality and packed with features while also comprising a social element.

PlayJeux has incorporated a community-driven aspect to its games, allowing players to interact with friends through fun reactions, mini games, chat and groups, while also providing gamification tools including avatars, achievements, tournaments, missions and daily rewards.

PlayJeux’s goal is to create an industry leading multiplayer iGaming platform that has the capability to develop any type of multiplayer game format. The first PlayJeux games due to go live on *OpenGaming* initially are *ROULETTE WHEEL OF THUNDER*, *BLACKJACK ROYAL POKER* and *BLACKJACK ROYAL PAIRS*, with multiplayer content set to be rolled out in the coming months.

The latest exclusive and high-quality addition to the *OpenGaming* aggregation platform further elevates the delivery of dynamic, immersive content to operators, lotteries and tribes worldwide.
