

Sky Dancer Casino Chooses Light & Wonder for Management System

LAS VEGAS - November 4, 2024 - (NASDAQ and ASX: LNW) (together with its subsidiaries "Light & Wonder," "L&W" or the "Company") today announced a multi-year agreement to provide Sky Dancer Casino in Belcourt, North Dakota, with a new casino management system. This upgrade will enable the casino to streamline operations, elevate casino hospitality, and enhance the overall player experience.

The new Light & Wonder casino management system will replace Sky Dancer Casino's current solution for more than 600 electronic gaming machines and table games. As part of the implementation, Light & Wonder will provide the casino with a suite of system offerings, including *iVIEW PRO™*, *TableView Web*, *Web Content Manager*, and *ELITE BONUSING SUITE™*. These offerings will enable Sky Dancer Casino to optimize financial management, mitigate risk and enhance customer retention and satisfaction.

"We're grateful for the opportunity to work with Sky Dancer Casino, a valued customer, on the implementation of their new gaming system," said Jon Wolfe, President of Global Systems and Services at Light & Wonder. "This collaboration underscores our commitment to delivering unique and innovative solutions to the gaming industry, particularly in the Midwest. We're excited to support Sky Dancer's continued success and look forward to building a long-lasting relationship."

Light & Wonder Systems' collaboration with Sky Dancer Casino marks a significant milestone, expanding the Company's reach in the Midwest region. This collaboration underscores the company's dedication to providing innovative casino management systems to casinos of all sizes. This latest agreement further strengthens the relationship between the Company and Sky Dancer Casino, a Light & Wonder games customer for over two decades.

"Our top priority is delivering an exceptional entertainment experience to our guests," said Randy Brunelle, general manager of Sky Dancer Casino. "Light & Wonder's advanced systems solution will be instrumental in streamlining our operations and offering a personalized gaming experience that truly resonates with our players."
