

## **Scientific Games Receives Platform of the Year Recognition At 2019 EGR B2B Awards**

**LONDON – June 27, 2019** – Scientific Games Corporation (NASDAQ: SGMS) (“Scientific Games” or the “Company”) cemented its position as a leading supplier to the iGaming industry after receiving the Platform of the Year award at the EGR B2B Awards 2019.

The prestigious ceremony, held at the Tower of London on June 25, honoured the service providers across the online gaming industry that have achieved exceptional commercial success and innovation during the previous 12 months.

The judging panel were impressed with Scientific Games’ commitment to delivering first-rate user experiences, driven by the company’s proven platform capabilities and constant product upgrades to meet the needs of operators across the globe. The Company’s Open Gaming System (OGS) and Open Platform System (OPS) together form one of the industry’s most reliable and scalable iGaming platforms, offering customer access to thousands of game titles and streamlined player and account management tools.

Jordan Levin, Group Chief Executive at Scientific Games, said: “We’re incredibly proud to have claimed the title of Platform of the Year at the 2019 EGR B2B Awards. We have been very busy as we continue to evolve our product offering and receiving this industry recognition is testament to the hard work put in by the entire team.

“Innovation and collaboration are at the heart of everything we do, and this award marks the success of our investment to bring world-class entertainment to players and help our partners enjoy business growth.”

Winning Platform of the Year underpins Scientific Games’ leading gaming platform proposition, with its Open Gaming System (OGS™) utilised by over 130 customers all over the world, with access to more than 2,000 games from the world’s leading game providers.

## **Forward-Looking Statements**

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
