

Scientific Games Ramps Up Digital Casino Footprint in the U.S. Market with Kindred Launch

LAS VEGAS – Aug. 7, 2019 – Scientific Games Corporation (NASDAQ: SGMS) (“Scientific Games” or the “Company”) extends its growth in the online gaming arena, launching its world-class content and technology platforms, the Open Gaming System (OGS) and Open Platform System (OPS), with global leader Kindred, one of the top iGaming operators in the world.

The Company’s launch with Kindred reinforces Scientific Games’ strong position in the New Jersey iGaming market. Kindred now benefits from the full OGS and OPS functionality. In the U.S. market, the OGS and OPS platforms set the standard for the broadest selection of high-quality content and feature-rich player account platforms. The launch sets the stage for Kindred’s future growth and success in New Jersey by offering them a comprehensive and proven suite of technology to bring their brand to the forefront of immersive player experiences.

Dylan Slaney, SVP Casino and Platforms for SG Digital, said, “We continue to embed both our OPS account platform and our two-sided game aggregation network OGS at the heart of the industry. Our teams have worked tirelessly to bring the world’s best content and platform technology to one of the industry’s biggest names, fueling their success in both established markets and burgeoning spaces like New Jersey. Kindred players will reap the benefits of truly next level experiences from top-tier content, fresh in-game mechanics, and immersive features.”

Manuel Stan, SVP USA at Kindred Group Plc, said, “Partnering with Scientific Games to bring world-class content and back-end functionality to New Jersey is a big win as U.S. iGaming gains traction. We’re excited to elevate the player experience in New Jersey using the OGS and OPS platforms.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
