

LIGHT & WONDER CONNECTING YOUR WORLD AT 2022 SYSTEMS USER CONFERENCE

L&W Systems Customers Will Come Together at Seminole Hard Rock Hollywood Hotel & Casino in June

LAS VEGAS – May 13, 2022 – [Light & Wonder, Inc.](#) (NASDAQ: LNW) (“Light & Wonder,” “L&W” or the “Company”) will host the 2022 Light & Wonder Systems User Conference at the Seminole Hard Rock Hotel & Casino in Hollywood, Florida. The event will take place June 21 through June 23 and focus on L&W’s industry-leading suite of systems products and new commercial solutions.

The 2022 Light & Wonder Systems User Conference, previously known as EMPOWER, will give the L&W team and their customers the opportunity to reconnect and engage in-person for the first time together since the beginning of the pandemic. Attendees can look forward to a three-day private conference comprised of executive speakers, educational sessions and workshops, hands-on product demonstrations, partner exhibits and networking. The Company will also be announcing the conference keynote speaker in the coming weeks. Light & Wonder systems customers will be able to navigate the conference using a mobile app, available exclusively to Light & Wonder Systems User Conference attendees.

With a vision to become the leading cross-platform global game company, Light & Wonder has invested in building modernized technology in land-based and digital systems, which will enable a converged future-state roadmap. In 2021, L&W kicked off a transformation of the land-based systems business, reinforcing the Company’s market-leading position and future-state vision of systems in the industry. This systems transformation will be unveiled at the upcoming user conference in June.

“Over the past year, we’ve made substantial investments to transform our systems business and we are eager to share this near and long-term vision with our customers,” said Rob Bone, Senior Vice President of Global Systems at Light & Wonder. “Our vision of a converged platform will generate incremental value for operators by driving increased player engagement, cross-channel wallet share and loyalty.”

Light & Wonder customers can register for the conference at <https://uc2022.lnw.com/home>, and should contact their Account Executive for additional information about the event.

Forward-Looking Statements

In this press release, the Company makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results, or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its annual report on Form 10-K that was filed with the SEC on March 1, 2022 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for the Company's ongoing obligations under the U.S. federal securities laws, the Company undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
