

Light & Wonder set to expand US *OpenGaming*TM platform offering after signing landmark Konami aggregation deal

Konami content available via OpenGamingTM to players in Michigan and Pennsylvania

LAS VEGAS – April 25, 2022 – [Scientific Games Corporation](#), doing business as [Light & Wonder](#), (NASDAQ: SGMS) (“Light & Wonder,” “L&W” or the “Company”) takes another bold leap forward significantly boosting its *OpenGaming*TM platform offering in the U.S. after signing an aggregation partnership with Konami Gaming, Inc.

The deal will see a wide selection of the iconic gaming developer’s online portfolio arrive on the *OpenGaming*TM platform, meaning operator customers in regulated markets across the U.S. will gain access to a host of classic Konami fan favourites.

Barstool Sports players in Michigan and Pennsylvania, along with Golden Nugget customers in New Jersey are among the first to have access to Konami slots such as *Adorned Peacock*TM, *China Shores*TM and *Astronomical Magic*TM.

This partnership serves as a major statement of intent for the recently rebranded organization, as it strengthens its position as the leading cross-platform gaming company in the world.

Steve Mayes, Partnership Director at Light & Wonder said: “This landmark aggregation deal is a huge moment for Light & Wonder in the United States. It’s no secret that Konami is one of the biggest providers of quality omni-channel content, and its offering is truly second to none.”

“We’re absolutely thrilled to be able to offer OpenGaming customers its incredible portfolio of slots and confident they’ll prove hugely popular with players across multiple states.”

Megan Wolkoff, Director, Online Product at Konami Gaming, Inc. said: “Our team is excited for the launch of this partnership, particularly after the recent rebrand of Light & Wonder and the ongoing growth of the iGaming sector.

“The audience reach that OpenGaming provides is hugely appealing and means our immersive content can be accessible to even more players. We’re happy to see our games live already via OpenGaming and look forward to a fruitful partnership with Light & Wonder.”

The *OpenGaming*TM ecosystem delivers more than 2500 games from a global network of in-house and third-party game studios with unrivalled ease of integration that is robust and secure.

All games available through *OpenGaming*TM are supported with a comprehensive range of responsible gambling tools, helping to deliver a safe and enjoyable gaming experience for players.
