

Scientific Games Brings Free Rounds iGaming Feature to New Jersey

LAS VEGAS – January 22, 2020 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) is enhancing the iGaming experience through the launch of its Free Rounds feature to operating partners in New Jersey.

Free Rounds delivers on the promise of the company’s *OpenGaming*™ suite by putting players at the heart of the solution and allowing them to use their free spins across a large library of game titles. With Scientific Games’ Free Rounds feature, New Jersey players can now enjoy free spins that work across games from the Company’s in-house studios as well as a number of 3rd-party brands via one single tool. The Free Rounds feature creates an added value that benefits players and operators alike by giving users more opportunity to explore a range of slot content.

Dylan Slaney, SVP Casino for SG Digital, said, “Free Rounds significantly enhances the gaming experience, putting players first. We’re taking it a step further and allowing players to use their free spins on a number of games across our library from us and from external studios. It’s a great way to empower New Jersey gamers to explore the deep library of content on offer. This aspect of Free Rounds is unrivaled in the industry, and we’re really excited to offer it in a burgeoning iGaming space.”

Ed Andrewes, CEO for Resorts Digital Gaming, said, “Free Rounds is a huge differentiator in the iGaming space in other markets, and we’re thrilled to now be offering it to our players in NJ. As the first Casino in Atlantic City, we always like to be at the cutting edge of any developments.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
