

Light & Wonder Presents New Class II Games and Experience-Elevating Solutions at Indian Gaming Tradeshow & Convention

LAS VEGAS – April 2, 2024 – [Light & Wonder, Inc.](#) (NASDAQ and ASX: LNW) (together with its subsidiaries “Light & Wonder,” “L&W” or the “Company”) today announced it will present its industry leading Class II, core and premium titles along with top-performing systems solutions and table offerings at the 2024 Indian Gaming Tradeshow & Convention (IGA) April 8-11 in Anaheim, Calif.

“Light & Wonder is honored to be at this year’s IGA and we’re proud to present a versatile portfolio tailored to our valued tribal customers,” said Siobhan Lane, Chief Executive Officer, Gaming at Light & Wonder. “From captivating content to leading-edge tables and systems, our product showcase further demonstrates our position as the leading cross-platform global games company.”

Engaging Class II Content: Demonstrating its commitment to tribal customers, the Company will present Class II iterations of top-performing L&W titles such as *DRAGON TRAIN™*, *HUFF N’ EVEN MORE PUFF™* and *HOT HOT BLAZING LOCKS™*. Class II customers can also experience engaging titles such as *DOUBLE DRAGON™*, *DRAGON TRIO™*, *SUPER WINNING STREAK™*, *LION EYES™* and *LION LINK™*.

Top-Performing Slots: Coming off the heels of its chart-topping success in the Australian market and its recent North American market arrival, the Company will shine a spotlight on *DRAGON TRAIN*. Housed on the award-winning *KASCADA™* Dual Screen cabinet, *DRAGON TRAIN* offers an unparalleled gaming experience with its innovative features, including the Hold-and-Spin feature, new Sticky Reels and the Cash Cluster game feature. The top performing title will join legacy L&W titles including *HUFF ‘N EVEN MORE PUFF* within the Company’s booth.

The Company will also highlight its latest licensed content with *SQUID GAME* slots. The slots are based on the widely acclaimed and most popular Netflix series of all time, *SQUID GAME*, and seamlessly integrates iconic games from the show such as Red Light, Green Light; Tug of War; and The Glass Tile.

Innovative Hardware: L&W will also showcase innovative new hardware with the all-new *LANDMARK™* 7000 Transparent stepper cabinet. The cabinet incorporates video elements through an iDeck offering and a video reel glass screen allowing for more dynamic content.

Premium Table Offerings: The Company will demonstrate its position as the market-leading table games provider and present its latest table game offerings with innovative solutions including the Table Progress System which features a never-before-seen coin sensor technology. This industry-first technology offers a built-in LCD screen, an eye-catching 27-inch LED-trimmed sign and updated software with new bonusing features and enhanced reporting.

The tables team will also highlight its innovative blackjack game variant *DOUBLE DOWN MADNESS™* along with its commission-free baccarat game, *RUYI BACCARAT™*.

Spotlight on Systems Solutions: Light & Wonder will showcase its system-agnostic global platform, *L&W ENGAGE* which enables operators to leverage data to execute a cohesive curated customer journey at every touchpoint regardless of location, vertical or platform.

Attendees can also experience the Patron Mobile App within the Company's booth. The solution is elevating the casino resort experience by enabling patrons to seamlessly manage a range of resort-related activities from registration and profile updates, to cardless and cashless session creation, checking balances and promotions. The solution also enables users to participate in cross-platform social gaming tournaments from the palm of their hands.

The team will also present its latest kiosk solution, PATRON KIOSK. This solution is designed to redefine customer interaction and elevate guest engagement in resorts worldwide. PATRON KIOSK streamlines the loyalty program enrollment process and offers each individual guest tailored experiences for an elevated experience.

L&W Panel Participation and Speaking Engagements:

Several L&W executives will speak at IGA this year including:

- Siobhan Lane, CEO, Gaming at Light & Wonder – Innovate or Stagnate: Pioneering Next-Gen Casino Experiences, Tuesday, April 9 at 9 a.m.
- Jon Wolfe, President of Global Systems and Services at Light & Wonder – Game Changers: Exploring AI and Technologies Redefining Gaming, Tuesday, April 9 at 11 a.m.
- Shannon Demus, CFO, Americas at Light & Wonder – The Business Case for Modernizing the Casino Floor, Wednesday, April 10 at 11 a.m.

Forward-Looking Statements

In this press release, Light & Wonder makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results, or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Light & Wonder's current reports on Form 8-K, quarterly reports on Form 10-Q and its annual report on Form 10-K that was filed with the SEC on February 27, 2024 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Light & Wonder's ongoing obligations under the U.S. federal securities laws, Light & Wonder undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
