

Light & Wonder Showcasing Strong Industry Momentum with New Systems Deals

L&W systems solutions to power casino floors at three properties

LAS VEGAS – October 15, 2024 – [Light & Wonder, Inc.](#) (NASDAQ and ASX: LNW) (together with its subsidiaries “Light & Wonder,” “L&W” or the “Company”) today announced notable new systems deals with three properties (detailed below), reinforcing its market leadership.

“These milestone deals not only reinforce our position as the market leader but also highlight our commitment to delivering cutting-edge solutions that drive success for our customers,” said Jon Wolfe, President of Global Systems & Services at Light & Wonder. “Whether it’s enhancing player engagement through our advanced loyalty platforms or ensuring seamless operations with our robust *CMS* offerings, we are dedicated to supporting our customers in achieving their business goals.”

The deals are:

- **Casino Miami** in Miami, Florida, has extended its contract with L&W to incorporate additional features such as Elite Bonusing Suite (EBS) and the EBS progressive system. The casino will also upgrade their current *iVIEW™* mix to *iVIEW PRO™* throughout the property.
- **Delaware Park Casino** in Wilmington, Delaware, will upgrade its Casino Management System with a full suite of Light & Wonder solutions including a comprehensive *SDS™-CMP™* slot-accounting & player-tracking system upgrade along with a property wide floor upgrade to *iVIEW Pro*. In addition, Light & Wonder *Envoy* will be installed which enables a secure integration for third-party vendors to integrate to Light & Wonder system products.
- **Viejas Casino & Resort** in San Diego, California, has chosen *L&W ENGAGE* loyalty platform to power its casino floor. As part of this strategic upgrade, Viejas will modernize its core Casino Management System with a suite of advanced L&W systems products. The extensive project includes a full-scale server infrastructure overhaul, a complete *CMS* upgrade, and the integration of both updated and newly available L&W technologies. Notably, Viejas is first to implement *TableView Web*, *Patron Mobile App* and *Kiosk*, *L&W Engage AI*, *EBS Mystery Multiplier*, and L&W’s *RAPIDPLAY™* Cashless Solution.

“We are excited to harness the new marketing capabilities that will be at our fingertips upon implementation of L&W Engage and the rest of our Light & Wonder’s suite of software”, said Colton Barlow, Vice President of IT/CIO at Viejas Casino & Resort. “Through a collaborative approach, Light & Wonder continues to demonstrate its commitment to innovation and developing technology which seeks to address our needs.”

"We are thrilled to be utilizing an array of Light & Wonder system products to offer our guests an even more exciting and rewarding gaming experience," said Tim Merrill, Senior Vice President of Operations at Casino Miami. "Their innovative solutions will allow us to provide personalized rewards, and engaging content that will redefine the guest journey from start to finish."
