LAS VEGAS, May 28, 2019 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or the "Company") today announced that former Aristocrat Leisure Limited CEO Jamie Odell has joined the company as Special Advisor to the Chairman and CEO. Jamie brings many years of gaming and executive experience, most recently serving as CEO of Aristocrat from 2009 to 2017. Mr. Odell will be an advisor to Scientific Games Board Chairman and MacAndrews & Forbes Chairman and CEO Ronald O. Perelman on gaming industry trends and market innovations. In addition, Mr. Odell will work with company CEO Barry Cottle to support current growth strategies across the company.

During Jamie's tenure as CEO, Aristocrat's market capitalization grew from \$1.3 billion to approximately \$7.5 billion. Prior to joining Aristocrat, Jamie held senior executive roles in the global beverage industry.

"I have known and watched Jamie's success for years and I am so glad he has agreed to join us in this new role. Scientific Games has done an incredible job building products and services that our customers and players love. The addition of Jamie will significantly enhance our ability to reach new players and markets as well as drive growth across the company," said Ronald O. Perelman, Chairman of the Board of Directors, Scientific Games.

"We are thrilled that Jamie will be advising our leadership and our team. We have long admired and respected his success and leadership in our industry and his advice and support will be invaluable as we continue to execute our growth strategies. Jamie is known the world over as an executive with a proven track record of success and a gaming expert who has driven market leading innovation and player engagement strategies for more than a decade," said Barry Cottle, President and CEO of Scientific Games.

"I am very excited to work with Ronald and Barry at this transformational moment for our industry. It's an absolute honor to be asked by Ronald to provide advice, and since spending time with Barry I've come to recognize that we share common values and beliefs about how to build great businesses, which I'm looking forward to delivering with him. Scientific Games has an outstanding leadership team that is committed to driving our industry into the future and I will do everything I can to support their current strategies," said Jamie Odell.

Forward-Looking Statements

Forward-Looking Statements in this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on

Form 10-Q and its latest annual report on Form 10-K led with the SEC on March 1, 2018 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise
