

## Light & Wonder Puts Iconic Brands and Powerhouse Franchises Center Stage at G2E 2026

**LAS VEGAS – September 21, 2026** – Light & Wonder, Inc. (ASX: LNW) (together with its subsidiaries, “Light & Wonder,” “L&W” or the “Company”) today announced it will showcase one of its most expansive G2E portfolios to date, bringing together highly anticipated new games, proven franchises and next-generation hardware and technology from across its global business.

Leading the lineup is *KONG: SKULL ISLAND UNCHAINED*, a sequel to one of Light & Wonder’s most successful licensed games, joining a slate of highly anticipated licensed titles including *GREMLINS*, *WILLY WONKA™*, *WONDROUS BONBON VOYAGE*, and new additions to the *WIZARD OF OZ™* franchise.

*BACK TO THE FUTURE*, *CREATURE FROM THE BLACK LAGOON*, and *THE WOLF MAN* mark exciting new additions to L&W’s portfolio of licensed titles, complemented by the continued evolution of some of the Company’s most popular franchises, including *ULTIMATE FIRE LINK™* and *HUFF N’ PUFF™*.

“G2E is all about the games, and this year we’re bringing one of our strongest and most diverse lineups yet,” said Matt Wilson, President and Chief Executive Officer at Light & Wonder. “From iconic brands players immediately recognize, to franchises we’ve built and grown across our business, our portfolio demonstrates the depth of our content pipeline and the power of great games. Combined with innovative hardware and technology across our businesses, we’re giving customers more ways to deliver unforgettable experiences to players.”

### Compelling Content Meets Next-Generation Hardware

Light & Wonder’s latest slot content will come to life across an expanded hardware portfolio, including *COSMIC HALO™*, *FIREBIRD™* and *LIGHTWAVE SOLAR™*.

*LIGHTWAVE SOLAR* brings the immersive *LIGHTWAVE™* bank-wide experience into a singular, modular and configurable offering for the casino floor, featuring new content including *HUFF N’ PUFF™*, *OPEN HOUSE™*. Making its global debut at G2E, the new *FIREBIRD* cabinet is anchored by a towering 55-inch main display, seamlessly integrated 32-inch upper display and dynamic MLED fire wings. A new 3D audio package further surrounds players in game features, creating an immersive experience designed to command attention on the casino floor.

Together, the Company’s hardware and content portfolio demonstrates its continued focus on

pairing compelling games with purpose-built platforms that provide operators with greater flexibility and deliver distinctive player experiences.

### **Elevating the Table Games Experience**

Light & Wonder will showcase the continued evolution of its Tables portfolio across live, electronic and hybrid table games. *NEXLINK™*, the Company's next-generation progressive system, creates a new platform for elevated jackpot, bonus and progressive content while introducing smarter operator tools and greater connectivity. The Company will also introduce *OBSIDIAN™* standalone, the newest addition to the Obsidian line. On the live side, *MULTIDECK ULTRA™* advances the Company's flagship shuffler with proprietary AI card recognition, a True RNG, a modernized multilingual interface and modular internals for faster service. Rounding out the showcase are *OBSIDIAN HYBRID* and *OBSIDIAN VIRTUAL PIT™*, expanding the range of experiences available across the table games floor.

### **Creating a More Connected Casino Floor**

The systems team will highlight solutions designed to create more seamless, personalized and connected experiences across the casino floor. The portfolio spans seamless wagering, AI-driven analytics and Dynamic Marketing, providing operators with tools to better understand their business, engage players and connect experiences across the property.

### **Extending Great Games Across Digital Channels**

Light & Wonder's content portfolio will extend beyond the casino floor through iGaming and its social gaming division SciPlay, demonstrating the strength of the Company's cross-platform approach.

Light & Wonder iGaming will showcase its strongest games roadmap to date, led by the continued expansion of the highly successful franchises including *HUFF N' PUFF™*, *ULTIMATE FIRE LINK TRIPLE NOVA™* and *LION LINK™ FORTUNE* alongside a growing library of iconic land-based titles reimaged for online players and an expanding portfolio of seasonal content. Supporting this momentum is a robust ecosystem designed to accelerate growth, combining proven content, platform innovation and one of the industry's largest aggregation portfolios, all creating new experiences and greater value for operators and players alike.

SciPlay will continue to expand Light & Wonder content across its free-to-play social casino portfolio with titles including *DANCING DRUMS REVOLUTION™*, *FRANKENSTEIN RETURNS*, *DRAGON SONG™*, *ULTIMATE FIRE LINK BLAZING DRAGON™* and *HUFF N' PUFF OPEN HOUSE*, supported by evolving meta features and live operations that enhance the core slot experience.

### **Grover Gaming Expands Charitable Gaming Portfolio**

Grover Gaming, Light & Wonder's Charitable Gaming business segment, will showcase an

expanded portfolio of hardware and content, including *KASCADA™*, *COSMIC™*, *KASCADA DUAL SCREEN* and new tablet offerings. Grover Gaming will also feature recognizable Light & Wonder franchises including *ULTIMATE FIRE LINK* and *HUFF N' PUFF*, pairing proven content and hardware with Grover Gaming's deep expertise in the charitable gaming market.

Light & Wonder will showcase its G2E 2026 portfolio at Booth #1116 at The Venetian Expo in Las Vegas, September 28 – October 1, 2026.
