

Light & Wonder to Replace Current Slot Floor Management System at Harry Reid International Airport

Gaming system will elevate slot floor management across multiple terminals

LAS VEGAS– Feb. 12, 2024 – – [Light & Wonder, Inc.](#) (NASDAQ and ASX: LNW) (together with its subsidiaries “Light & Wonder,” “L&W” or the “Company”) today announced that its System solutions were selected to manage the Michael J Gaughan Airport Slot Concession, Inc. (the “Concession”) slot floors at Harry Reid International Airport.

Light & Wonder’s systems offering will replace the airport’s existing solution for more than 1,100 slot machines across multiple terminals. Light & Wonder will also extend managed services to provide comprehensive support for the Concession’s IT operations. Through managed services, the Concession will have access to powerful infrastructure management, new technology tools and 24/7 support designed to minimize downtime.

“Light & Wonder is committed to delivering cutting-edge solutions that redefine the gaming experience,” said Jon Wolfe, *President of Global Systems and Service at Light & Wonder*. “Our systems solution is designed to elevate casino hospitality and improve customer service to deliver an unparalleled level of player satisfaction.”

“Choosing Light & Wonder as our systems provider was a decision rooted in their next-level customer support,” said *Patricia Ross, General Manager of Michael Gaughan’s Airport Slot Concession Inc.* “Their commitment to excellence extends beyond leading-edge technology and supports our goal of delivering an exceptional player experience.”

This agreement marks an important milestone as the Company’s technology will power the slot floor at the seventh busiest airport in the nation, reflecting Light & Wonder’s ongoing commitment to constant innovation.

Light & Wonder’s solution is set to go live in terminals throughout the Harry Reid International Airport in Q2 of 2024.
