

Scientific Games Extends iGaming Footprint in New Jersey with Tipico OpenGaming™ Deal

LAS VEGAS – July 21, 2020 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) is set to power Tipico’s new iGaming offering in New Jersey after securing a deal to deliver its *OpenGaming™* product suite.

Supporting the international sportsbook operator’s entry into the U.S. market, Scientific Games will deliver its fully-licensed world-class Open Gaming System aggregation platform, as well as a comprehensive library of over 2,000 games consisting of in-house developed titles and content from a wide range of third-party studios. Tipico will soon be making its debut in the U.S., pending necessary regulatory licensing, starting with the state of New Jersey. The launch of SG Digital’s *OpenGaming™* ecosystem will provide Tipico with the ultimate iGaming offering to attract new players in New Jersey through cutting edge content and features.

The OpenGaming portfolio has seen great success in New Jersey already, delivering cutting edge features such as Free Rounds and Jackpots in addition to its comprehensive library of over 2,000 games consisting of in-house developed titles and content from a wide range of third-party providers.

Tipico’s new online casino, which is set to go live this fall, will complement the operator’s proprietary sports betting platform.

Dylan Slaney, SVP Casino for SG Digital, said, “Tipico’s decision to select OpenGaming to power its new digital casino once again demonstrates the quality of our proposition, and reaffirms our position as a leading supplier in the state of New Jersey. We’re thrilled to be working with the team at Tipico and look forward to providing them with all the support to ensure that together we launch a successful offering.”

“We’re very excited to partner with Scientific Games to offer our US sportsbook players a robust new iGaming offering,” said Adrian Vella, Managing Director, U.S. Business, Tipico. “With a solid history in the highly regulated U.S. market, a huge library of games and proven platform technology, Scientific Games provides us with a strong foundation to build from as we continue to expand our gaming offerings.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Scientific Games' current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 18, 2020 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
