

Light & Wonder Unveils Market-Driven Content and Technology at G2E Asia 2025

New game families, hardware, and innovative systems power a future-focused showcase

LAS VEGAS – May 1, 2025 – [Light & Wonder, Inc.](https://www.lightandwonder.com) (NASDAQ and ASX: LNW) (together with its subsidiaries “Light & Wonder,” “L&W” or the “Company”) today announced it will present a powerful lineup of new-to-market games, enhanced table technology, and innovative systems solutions at G2E Asia, May 7-9 at The Venetian Macao. Attendees can get a first-hand look at the Company’s products which are tailored to meet the needs of Asia’s diverse gaming markets within Stand A1003.

“G2E Asia provides an exceptional platform for us to connect with industry leaders and demonstrate how our latest innovations can drive growth and support our customers’ continued success across the region,” said Ken Jolly, Vice President of Strategic Development, Asia, at Light & Wonder. “We’re excited to present our newest game franchises, advanced hardware, and comprehensive systems solutions that cater to the dynamic needs of the Asian gaming market.”

What’s New on the Floor: Breakthrough Game Franchises

Light & Wonder will highlight several of its top-performing game franchises with the latest iterations of player-favorite themes. Fans of the chart-topping, award-winning *HUFF N’ PUFF™* game family can look forward to experiencing the latest title in the series with *HUFF N’ EVEN MORE PUFF™*. A bold new take on the action-packed *SUPER HOT FLAMING POTS™* franchise, *SUPER HOT FLAMING POTS – MR. LEE™ & MRS. WONG™* offered on the *KASCADA™* Portrait cabinet, will also be on display.

Making its G2E Asia debut is the Company’s next-generation link game, *LION LINK™*. The game will launch with *WEALTH OF THE DRAGON™* and *PROSPEROUS ROOSTER™* and features familiar math from the *MONEY LINK™* series.

End-to-End Table Technology & Utilities

The Company will also showcase its suite of electronic table games, utilities, and automation solutions, including the *OBSIDIAN™* Auto Roulette, a sleek, modular roulette solution featuring 27” HD monitors and dynamic LED lighting. The

SHUFFLESTAR™ Continuous Shuffler will also be on display, offering efficient card handling along with real-time inventory tracking and misfeed detection.

Attendees can explore the *i-SCORE™ ULTRA & ROULETTE* displays, which feature 4K resolution, trend tracking, and customizable display options. Additional solutions in the stand include *CHIPSTAR™* and *SAFE-SHOE™*, designed to support accuracy and security in live table game operations.

Systems Solutions That Drive Efficiency

Additionally, Light & Wonder will showcase a powerful suite of systems solutions designed to elevate the player experience and streamline casino operations.

The *L&W ENGAGE* platform and *L&W ENGAGE AI* deliver seamless loyalty integration and real-time, AI-powered insights to personalize marketing and drive smarter decision-making. *IVIEW PRO™* and *iView Display Manager™ 3.0* enhance in-game communication with dynamic content delivery and targeted messaging at the machine level.

RAPIDPLAY™ enables secure, instant access to funds at the table via QR code - no app or card required - while the Patron Mobile App and *PATRON KIOSK* give players convenient access to promotions, account management, and loyalty programs.

These solutions work together to deliver a connected, cashless, and highly personalized gaming journey across the floor.

Panel Participation

Ken Jolly will present during a Slot Game Technology sharing session at the G2E Gaming Innovation Forum on Tuesday, May 7. He will also join a panel discussion titled *EGM Trends: Navigating Growth, Innovation, and Regulation in Asia's Evolving Markets* on Wednesday, May 8 at G2E Asia.
