

Scientific Games' Development Hub Awarded Best Betting and Gaming Employer in Greece

ATHENS – April 27, 2021 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) has once again been recognised as the leading betting and gaming employer by Great Place to Work® Hellas, this year rising to fifth position in the overall rankings.

The Company’s digital business, SG Digital, continues to be identified as one of the top places to work for in Greece among organisations of over 250 employees, having jumped two places since last year’s awards.

SG Digital’s Greek sportsbook and gaming teams based in Athens consist of experienced and highly skilled operations, technology, trading and product experts. The team constantly brings game-changing concepts to Scientific Games’ product suite, including *OpenSports*™ and *OpenGaming*™.

The Best Workplaces™ list is curated by Great Place to Work®, an international institute that annually rewards companies that aspire to offer their employees exceptional working conditions.

The announcement further cements the Company’s position as a world leader in providing dynamic games, systems and services to the global betting and gaming industry.

Nikos Konstakis, SG Digital Athens Managing Director and VP Sportsbook, said, “We are delighted to see our hard work at Scientific Games reflected in this latest recognition while we keep growing our footprint in Athens year on year. Our entire team is committed to innovating and leading in the online sports betting and gaming sector. Their dedication continues to ensure our success and powers our customers’ success as well.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these

statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Scientific Games' current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 1, 2021 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
