

SCIENTIFIC GAMES LAUNCHES *ULTRA HOT MEGA LINK™* SLOTS

Green Valley Ranch Resort, Spa and Casino Hosts Exclusive Launch Event

LAS VEGAS, NV – January 29, 2020 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) launched its newest hot slot, *Ultra Hot Mega Link™*, at an exclusive player event hosted by Green Valley Ranch Resort, Spa and Casino. The event featured free play and branded giveaways for 400 of the casino’s invited guests.

“We are excited to host the global launch of *Ultra Hot Mega Link*,” said Vincent Barile, President and General Manager of Green Valley Ranch Resort, Spa and Casino. “Throughout Station Casinos, player experience is our priority. With its player-favorite bonus features, and a form factor specifically designed to immerse the player in the excitement, we think the *Ultra Hot Mega Link* games will be a huge hit!”

As a follow-up to the Company’s top-performing series, *Ultimate Fire Link®*, this new series features an *Ultra Hot Mega Link* Feature where Fireball symbols lock in place and award free spins. During the free spins, Fireballs locks in place to unlock a new row. As rows unlock, credit values and jackpot levels increase. The excitement really fires up when one or more Ultra Hot Fireball symbol lands on the reels adding credits, or even a Mini Jackpot, to up to five other unlocked Fireballs around it, ultimately blowing up the size of the feature win.

“We have been eagerly anticipating the official launch of *Ultra Hot Mega Link* since its debut at G2E, and we are thrilled to have partnered with Green Valley Ranch for its introduction to players,” said Cathryn Lai, Senior Vice President of Product Management and Marketing for Scientific Games. “The original *Ultimate Fire Link* is one of our most popular game series and we think this spin-off will fire up the excitement even more with players throughout casinos everywhere.”

Ultra Hot Mega Link is launching with two themes, *Amazon* and *India*, showcased on the top-performing TwinStar® Wave XL and TwinStar J43® cabinets. Two more themes – *Rome* and *Egypt* – will be coming soon.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
