

Scientific Games' Named Best Betting and Gaming Employer in Greece

LAS VEGAS – MAY 7, 2020 – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) has been recognized as the leading betting and gaming employer by Great Place to Work® Hellas.

The Company’s digital business, SG Digital, was named one of the top places to work in Greece. Scientific Games was ranked 7th in the overall rankings for companies with over 250 employees alongside global brands including DHL Express and AXA Insurance.

The Company’s Greek sportsbook and gaming team includes a wealth of highly skilled technology, operations, product and trading experts. The team has a proven track record for bringing game-changing concepts to Scientific Games product suite including *OpenSports*™ and *OpenGaming*.

The Best Workplaces™ list is created by Great Place to Work®, an international institute that annually rewards companies that strive to create excellent working environments for employees.

This latest recognition further demonstrates the Company’s position as a world leader in providing dynamic games, systems and services to the global betting and gaming industry.

Nikos Konstakis, SG Digital Athens Managing Director and VP Sportsbook, said, “This is a fantastic achievement for us and truly reflects the great working culture that we have across Scientific Games. The whole team here is passionate about driving innovation in the online sports betting and gaming sector. Our culture ensures that we can deliver a match-winning performance that powers our customers’ success.”

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the

U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Scientific Games' current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 18, 2020 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
