

## **Scientific Games Significantly Enhances Presence in Spain with 888 Partnership**

*888 is launching more than 120 games via SG's OpenGaming System™  
Platform*

**LAS VEGAS – January 9, 2020** – [Scientific Games Corporation](#) (NASDAQ: SGMS) (“Scientific Games” or the “Company”) has partnered with [888 casino](#) to launch more than 120 games in Spain via the Company’s *Open Gaming System™* (OGS) platform to its customers. OGS is a content aggregation platform that forms the fundamental core of Scientific Games’ end to end, player-centric *OpenGaming™* product set. Packed with cut-through features captivating gameplay options, and player protection tools, *OpenGaming* puts players at the heart and provides partners with scalable and reliable iGaming technology.

888’s games portfolio in Spain now features titles from Scientific Games’ in-house studios and 3<sup>rd</sup>-party partners. Current titles include player favorites such as Merlin’s Millions, Superbet, Gorilla Go Wilder, and Zeus 2.

Dylan Slaney, SVP Casino at SG Digital, said, “888 is a huge player in the Spanish iGaming market, and we’re thrilled to offer our content to their players. It will increase our presence in the market and give players a top-notch iGaming experience backed by the reliability and scalability of our *OpenGaming* platform.”

Guy Cohen, SVP of B2C, at 888, said, “At 888, we are focused on providing our customers the most enjoyable gaming experience. Through our partnership with Scientific Games we can now offer our Spanish customers an additional 120 games to our platform with more games to come. We look forward to building on our relationship with Scientific Games and delivering for our customers.”

**Forward-Looking Statements**

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
