

## Light & Wonder Secures Multiple Gaming Systems Agreements Across North America

**LAS VEGAS – March 26, 2026** – Light & Wonder, Inc. (ASX: LNW) (together with its subsidiaries, “Light & Wonder,” “L&W” or the “Company”) today announced multiple gaming system agreements and renewals across casino properties in North America, reflecting continued momentum for the Company’s modern and scalable systems portfolio.

The agreements include system replacements at Deadwood Gulch Gaming Resort in South Dakota and a competitive systems renewal and reinvestment with Seneca Gaming Corporation in New York.

“These wins demonstrate the breadth and flexibility of our systems portfolio and the trust our customers place in Light & Wonder as a strategic partner,” said Bob Parente, Executive Vice President & Chief Business Development Officer at Light & Wonder. “From competitive replacements to long-term reinvestments, we remain focused on delivering scalable, future-ready solutions that support our customers’ growth and operational goals.”

### Seneca Resorts & Casinos

Seneca Resorts & Casinos reaffirmed its partnership with Light & Wonder following a competitive RFP process, selecting the Company to continue as its gaming systems provider. As part of the reinvestment, Seneca will modernize its systems environment with an expanded suite of Light & Wonder solutions such as *L&W ENGAGE*, *iVIEW PRO™*, Display Manager, *TABLEVIEW* Web, *SERVIZIO™*, *ELITE BONUSING SUITE™*, and the Progressive Management System. The solutions will be implemented across Seneca Resorts & Casinos three gaming and entertainment resorts: Seneca Niagara Resort & Casino in Niagara Falls, NY, Seneca Allegany Resort & Casino in Salamanca, NY, and Seneca Buffalo Creek Casino in downtown Buffalo, NY.

“Light & Wonder once again proved to be the right long-term systems partner for our Seneca Resorts & Casinos properties,” said Les Leonard, Chief Information Officer, Seneca Resorts & Casinos. “Their ability to deliver a modern, integrated systems ecosystem combined with strong service and ongoing innovation positions us well to enhance player engagement and support our operational goals moving forward.”

### Deadwood Gulch Gaming Resort

Deadwood Gulch Gaming Resort selected Light & Wonder to replace its existing gaming system as part of a broader property upgrade in Deadwood, South Dakota.

The installation will feature *SDS™* and *CMP™* Small Casino Solution, a cost-effective systems suite of applications designed for small operators, supporting nearly 100 slot machines. The agreement also includes a bundled slot content upgrade.

“As long-time hospitality owners and now the new owners of Deadwood Gulch, we are committed to upgrading the property and delivering an outstanding customer experience,” said Tijana Harper, Co-Owner, Deadwood Gulch Gaming Resort. “When looking for a new gaming

system, we felt the Light & Wonder team fully understood our vision for the property and had the right products and people to make that vision a reality.”
