LAS VEGAS, May 23, 2017 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or "the Company") today announced new agreements to provide an expansive range of casino systems solutions, table products, games and platforms at Baha Mar Casino in Nassau, The Bahamas for its 100,000 square foot casino, which held its soft opening on April 21, 2017.

Alex W. Pariente, Executive Vice President, Casino Operations and Marketing at Baha Mar, said, "We are pleased that Scientific Games is our technology partner at our new sophisticated casino. Scientific Games provides us with a one-stop-shop, helping us efficiently run our gaming operations while delivering an engaging experience to our international guests."

Scientific Games Chief Executive Officer Kevin Sheehan said, "Our agreement with Baha Mar Casino truly showcases our ability to provide a floorwide gaming experience across an entire casino enterprise. Baha Mar is leveraging a variety of Scientific Games' transformational solutions to drive operating efficiencies and offer the best of entertainment to its players – and we are thrilled to be a major technology partner to this long-awaited and spectacular new destination in The Bahamas."

Leveraging its extensive, industry-leading *Bally*® Systems suite, Scientific Games powers Baha Mar's high-speed, networked casino floor with its *ACSC*, *CMS/SMS*, *TableView* and *Bally Business Intelligence* slot monitoring, table management, player tracking, marketing, analytics, and casino accounting solutions.

Each of Baha Mar's 1,140 slot machines is connected to Scientific Games' *iVIEW*® network to provide patron self-service, marketing messages, and powerful bonusing solutions through *iVIEW Display Manager* ("DM")'s powerful on-device messaging technology.

Using the *iVIEW DM* on-device interface and without interrupting game play, Baha Mar Casino drives player engagement, second-ways-to-win, and instant rewards through Scientific Games' *Elite Bonusing Suite*® ("EBS") of turnkey promotions including *Power Promotions*, *Video Poker Bonusing*, *U-Spin*® *Wheel Bonus*, *DM Tournaments*, *Lucky Match Bonusing*, *Dynamic Random Bonusing*, *Flex Rewards*, *Virtual Racing* and *Power Winners*.

The Company's *Servizio* intelligent, rule-driven mobile service applications helps Baha Mar Casino's floor staff deliver exceptional guest service by providing messages to team members on their mobile devices that enable them to immediately respond to needs such as jackpot processing, player registration, host functions, slot maintenance and more.

Baha Mar Casino opened with Scientific Games' sophisticated slot platforms and engaging casino games.
