

Light & Wonder to Highlight *COSMIC™ DUAL* Cabinet and Expanded Portfolio at AGE 2026

LAS VEGAS – August 3, 2026 – Light & Wonder, Inc. (ASX: LNW) (together with its subsidiaries, “Light & Wonder,” “L&W” or the “Company”) today announced it will showcase its latest portfolio of games, tables, systems and social gaming innovations at the Australasian Gaming Expo (AGE) 2026, August 11–13 at ICC Sydney.

Leading this year’s showcase is the *COSMIC DUAL* cabinet, featuring an expanded lineup of new game families and franchise extensions developed specifically for Australia and New Zealand. Together with innovations across tables, systems and social gaming, the exhibit reflects Light & Wonder’s continued investment in the region while helping customers maximize performance across their gaming floors.

“Australia and New Zealand remain an important market for Light & Wonder, and AGE provides a valuable opportunity to connect directly with our customers,” said Matt Wilson, President and Chief Executive Officer of Light & Wonder. “This year’s showcase reflects the momentum behind our game portfolio while reinforcing our commitment to delivering differentiated entertainment, connected solutions and long-term value for our customers.”

The *COSMIC DUAL* lineup features a compelling mix of franchise extensions and all-new game families, combining proven game mechanics with fresh gameplay designed specifically for the region. The expanded lineup reflects Light & Wonder’s continued investment in developing content that drives player engagement and supports customer performance.

Featured franchise extensions include *HUFF N’ PUFF REBUILD™*, *CATS, HATS N’ EVEN MORE BATS™*, *FRANKENSTEIN™* and *BRIDE OF FRANKENSTEIN™*, introducing new gameplay mechanics and feature enhancements to proven player favorites. AGE 2026 will also mark the debut of *BIG STEAM™*, *DRUMS LINK™* and *GRAND LEGION™*, expanding the Company’s portfolio with fresh mechanics, immersive themes and compelling new player experiences.

Beyond slots, Light & Wonder will showcase its latest innovations across tables and electronic table games, with the *OBSIDIAN™* ETG platform and *NEXLINK™* table progressive system. Featuring modern hardware, dynamic lighting and connected gameplay, *OBSIDIAN* delivers flexibility across stadium, POD and live dealer environments, while *NEXLINK* introduces next-generation graphics, engaging bonus experiences and enhanced operator tools. Together, these solutions demonstrate Light & Wonder’s commitment to connected entertainment while giving operators greater flexibility across the casino floor.

The Company’s systems portfolio will feature Route Management Systems (RMS), a modern web-based platform that streamlines operations for route operators and casinos. Also on display is Light & Wonder Business Intelligence, delivering powerful reporting and analytics that help operators make faster, more informed business decisions across their enterprise.

Making its return to AGE, SciPlay, Light & Wonder’s social games business, will highlight how many of the Company’s most recognizable gaming brands continue to entertain millions of

players worldwide across mobile platforms. Featuring fan-favorite franchises including *DANCING DRUMS™*, *HUFF N' PUFF™* and *LOCK IT N' LINK™*, SciPlay extends the reach of Light & Wonder's content through one of the industry's leading portfolios of social casino games.

Visitors can experience Light & Wonder's complete portfolio at Stand #190 during the Australasian Gaming Expo, August 11–13, at ICC Sydney.
