

## Light & Wonder to Unveil Expansive Portfolio of New Gaming Innovations at IGA 2026

**LAS VEGAS – March 24, 2026** – Light & Wonder, Inc. (ASX: LNW) (together with its subsidiaries, “Light & Wonder,” “L&W” or the “Company”) today announced it will showcase a powerful lineup of new hardware, compelling content, advanced systems, and next-generation table innovations for its valued tribal gaming customers at the Indian Gaming Association (IGA) 2026 tradeshow, March 31 – April 2 in San Diego, California.

“IGA is one of the most important moments of the year for our tribal gaming partners, and we are proud to showcase a portfolio built specifically with their players and business priorities in mind,” said Siobhan Lane, CEO of Gaming at Light & Wonder. “From breakthrough content on our newest platforms to the continued evolution of our table and systems technology, every innovation reflects our commitment to delivering meaningful performance and long-term value for tribal operators across the industry.”

### Expanded Content and Hardware Lineup

Light & Wonder will showcase a robust mix of new titles and cabinets within its IGA booth #1341, underscoring the Company’s commitment to delivering performance driven products that excite players and support its customers’ continued success.

The content lineup features multiple new franchise extensions and original titles, including *HUFF N’ PUFF™ LINK*, *ULTIMATE FIRE LINK BLAZING DRAGON™*, *QUICK HIT™ ULTRA LINK*, and *PURRATE’S LIFE™* on the all-new *LIGHTWAVE SOLAR™*, a for-sale version of the popular *LIGHTWAVE™* cabinet. These new games build on the momentum of several top-performing Light & Wonder franchises, offering fresh mechanics, dynamic bonus features, and elevated entertainment designed to drive strong floor performance.

On the hardware side, attendees can experience *COSMIC™ Dual* cabinet, one of North America’s top dual screen performers. The cabinet’s versatile, operator-friendly format integrates seamlessly across gaming floors and showcases high-impact content with clarity and scale. Also on display is *COSMIC SKY™*, the latest addition to the Cosmic cabinet family.

Light & Wonder will also highlight its *HUFF N’ PUFF MORE MONEY MANSION™*, the newest evolution of the beloved franchise. The title introduces “Little Bad,” a playful and engaging twist on the iconic Big Bad Wolf character, bringing new personality and excitement to one of the Company’s most recognizable brands.

### Innovative Table Game Solutions

Light & Wonder will highlight a diverse lineup of table game experiences engineered to modernize the pit, streamline operations, and enhance player engagement.

The Company will showcase the *OBSIDIAN™* Hybrid table with *OBSIDIAN VIRTUAL PIT™*, presented in a new form factor, alongside a deeper lineup of next-generation table technologies including its progressive system, *NEXLINK™*. The solution offers a 27" dual-sided signage with edge lighting, new player interactive bet sensors, a dynamic sound system, and enhanced performance and configurability. The *OBSIDIAN* Hybrid table with *OBSIDIAN VIRTUAL PIT* comes stacked with engaging game content such as Blackjack, *ROULETTEX™*, *RUYI BACCART™*, and more.

Attendees can explore Light & Wonder's growing portfolio of proprietary table games such as Mini *ULTIMATE TEXAS HOLD 'EM™*, a more approachable and faster paced iteration of *ULTIMATE TEXAS HOLD'EM* poker game.

### **Proven Systems Solutions**

Light & Wonder will feature its most advanced systems technology to date through a dedicated area within the booth. Attendees can experience innovations such as the *CANVAS™* interface, a fully customizable, web-based dashboard that unifies all Light & Wonder system applications into a single, highly configurable platform.

The team will also spotlight its Cardless NFC solution that brings effortless, tap-and-play access to both slot machines and table games. With a simple tap of a mobile device's digital player card, guests can instantly log in and play. The solution offers a fast, secure, and fully contactless experience designed to elevate how players engage with their favorite games. For more information, visit [lnw.com](http://lnw.com)
