Scientific Games Will Be *Stronger Together* at the Northwest Indian Gaming Conference & Expo 2015

Las Vegas and Tulalip, Washington – June 18, 2015 – At the Northwest Indian Gaming Conference & Expo 2015 from June 22-24 at Tulalip Resort Casino in Washington, the strategic powerhouse created by the combination of the *Bally, Shuffle Master* and *WMS* brands will be presented at the <u>Scientific Games</u> booth. A diverse array of products and solutions designed to satisfy the needs of casino operators will be on display.

"With a dedicated team and an expanded and impressive portfolio of content, we are more focused than ever before on continuing to be the partner of choice for our customers," said Sean Evans, Vice President of Sales, Western Region for Scientific Games. "We are excited to present our unmatched product lineup at the show."

Bally Central Determination products on display will include the ZZ TOP LIVE FROM TEXAS[™] video slot that will have players grooving as they party with the iconic rock band on the Pro Series[™] V22/32 cabinet with a 5.1 surround-sound chair. This concert-like slot experience includes a Bonus Wheel, three near-area progressive jackpots and some of the band's classics like Sharp Dressed Man, Cheap Sunglasses, Just Got Paid, Legs and Gimmie All Your Lovin', along with plenty of concert footage that will keep players rockin'.

Also on display will be the visually-stunning *Lucky Tree*TM and *Precious Jade*TM games on the *Pro* V32, featuring Free Games that can be re-triggered, and *Quick Hit Black & White Free Games Fever*, a *Pro Curve*TM title from Bally's high-performing *Quick Hit*TM brand that will entertain players with a five-level progressive and Free Games with two times pay, three times pay, *Locking Wilds*TM or *Quick Hit Fever*TM.

Bally will also showcase the Class II title *5 Treasures*TM, which is the perfect chance for players to test their luck. This five-reel, 243-way game on the *Pro Wave*TM offers Free Games that can be re-triggered, authentic Chinese artwork and the *Fu Bat*TM Jackpot Feature with four fantastic progressive levels.

The *Bally Systems* area will offer an array of award-winning systems solutions, including its *CoolSign*® media-management solution, *Bally Enterprise Progressive System*[™] and the award-winning *Elite Bonusing Suite*[™]. The *Elite Bonusing Suite*, when combined with *iVIEW*[™] Display Manger, enables play-centric bonusing events that add dramatic new levels of excitement and anticipation to the slot-play experience.

WMS-branded products on display will include a thrilling brand that is new to the Central Determination market. The excitement of the Marvel's *Iron Man* trilogy and the unique player interaction enabled by the *Gamefield* xD^{TM} cabinet combine to create an entirely new gaming entertainment experience for the Central Determination market. With exciting content that is a perfect fit for the 32" LCD screen of the *Gamefield* xD gaming platform, the *IRON MAN* slot features an expanded 5x12 reel array with 80 lines of action on the 42" vertical screen. The Free Spins Bonus takes over the full dual-screen display of the

Gamefield xD cabinet to make players feel as though they are in the *IRON MAN* suit and flying through the action of the film.

Also featured will be *Reel Juicy Pays* on the *CPU-NXT*3 platform. This fun and fruit-filled theme was created to focus on the excitement of a Free Spin Bonus. When the Bonus is triggered, players will not know how many free spins they will receive in order to build suspense. Each spin of the Bonus is guaranteed to be a win.

Great Zeus is a Class III favorite coming to the Central Determination market. Fans of *WMS* products will recognize the classic Zeus character in this exciting game. During the Free Spin Bonus, a red ZEUS symbol landing on reel 5 will shoot a bolt of lightning across the symbols on the same row of reels 1-4. Those symbols will be replaced with BLUE ZEUS symbols for the remainder of the Free Spin Bonus. All Zeus symbols will pay mixed during the Bonus, for the potential of high multi-symbol wins.

Scientific Games will demonstrate at the Northwest Indian Gaming Conference & Expo 2015 how they are *Stronger Together* through the powerful combination of top brands and a diverse and comprehensive product portfolio developed to help customers strategically grow their operations.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements describe future expectations, plans, results or strategies and can often be identified by the use of terminology such as "may," "will," "estimate," "intend," "continue," "believe," "expect," "anticipate," "should," "could," "potential," "opportunity," "goal," or similar terminology. These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including, among other things: competition; U.S. and international economic and industry conditions, including declines in or slow growth of lottery retail sales or gross gaming revenues, reductions in or constraints on capital spending by gaming or lottery operators and credit risk relating to customers; slow growth of new gaming jurisdictions, slow addition of casinos in existing jurisdictions and declines in the replacement cycle of gaming machines; ownership changes and consolidation in the casino industry; opposition to legalized gaming or the expansion thereof; ability to adapt to, and offer products that keep pace with, evolving technology; ability to develop successful gaming concepts and content; laws and government regulation, including those relating to gaming licenses and environmental laws; inability to identify and capitalize on trends and changes in the gaming and lottery industries, including the expansion of interactive gaming; dependence upon key providers in our social gaming business; retention and renewal of existing contracts or entry into new or revised contracts; level of our indebtedness, higher interest rates, availability and adequacy of cash flows and liquidity to satisfy obligations or future needs, and restrictions and covenants in our debt agreements; protection of our intellectual property, ability to license third party intellectual property, and the intellectual property rights of others; security and integrity of our software and systems and reliance on or failures in our information technology systems; natural events that disrupt our operations or those of our customers, suppliers or regulators; inability to benefit from, and risks associated with, strategic equity investments and relationships, including (i) the inability of our joint venture to meet the net income targets or otherwise to realize the anticipated benefits under its private management agreement with the Illinois lottery, (ii) the inability of our joint venture to meet the net income targets or other requirements under its agreement to provide marketing and sales services to the New Jersey lottery or otherwise to realize the anticipated benefits under such agreement (including as a result of a protest) and (iii) failure to realize the anticipated benefits related to the award to our consortium of an instant lottery game concession in Greece; failure to achieve the intended benefits of the acquisition of WMS, including due to the inability to realize synergies in the anticipated amounts or within the contemplated time-frames or cost expectations, or at all; inability to complete future acquisitions; inability to successfully integrate future acquisitions; litigation relating to the Bally acquisition;

disruption of our current plans and operations in connection with the Bally acquisition, (including in connection with the integration of Bally), including departure of key personnel or inability to recruit additional qualified personnel or maintain relationships with customers, suppliers or other third parties; costs, charges and expenses relating to the Bally acquisition; inability to successfully integrate Bally (including SHFL and Dragonplay Ltd.); failure to realize the intended benefits of the Bally acquisition, including the inability to realize the anticipated synergies in the anticipated amounts or within the contemplated time-frames or cost expectations, or at all;; incurrence of restructuring costs, revenue recognition standards and impairment charges; fluctuations in our results due to seasonality and other factors; dependence on suppliers and manufacturers; risks relating to foreign operations, including fluctuations in foreign currency exchange rates and restrictions on the import of our products; dependence on our employees; litigation and other liabilities relating to our business, including litigation and liabilities relating to our contracts and licenses, our products and systems, our employees, intellectual property and our strategic relationships; influence of certain stockholders; and stock price volatility. Additional information regarding risks, uncertainties and other factors that could cause actual results to differ materially from those contemplated in forward-looking statements is included from time to time in our filings with the SEC, including under the heading "Risk Factors" in our most recent Annual Report on Form 10-K. Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
