

## **New *Black Knight*™ Community marches across all SG Gaming retail sectors**

**LONDON, March 26, 2019** – [Scientific Games Corporation](#) (NASDAQ: SGMS) (the “Company”) today announced that the Company’s UK division, [SG Gaming](#), has released a new £500 community game across Arcade, Bingo, LBO and Casino sectors that features the company’s iconic *Black Knight* brand.

*Black Knight Community* evolves SG Gaming’s content offering and expands the community gaming player base into brand-new audiences in the LBO and Casino sectors, and further strengthens Scientific Games’s portfolio of successful community titles across Arcade and Bingo.

The launch sees SG Gaming providing a sociable gaming experience that builds excitement in venues and delivers operators and players one of the most popular titles across the global retail and online sectors.

Rick Mountney, Director of Content Development at SG Gaming, said, “SG Gaming’s experience across all sectors helps us develop great content that our players love, and the *Black Knight* brand and £500 jackpot community is a winning combination. Since launch, community gaming has proved extremely popular with our operators and players. We’re very excited to bring this engaging and fun experience to our LBO and Casino players for the first time, giving them the chance to enjoy this brilliant game.

“We invest constantly in content development, creating engaging gameplay, compelling entertainment and the best experiences for our player community. For example, *Black Knight Community* offers a feature which provides players with the chance to enter a community-driven free spins bonus seamlessly across linked terminals in venue. With this fun community feature, *Black Knight Community* delivers our players an entertaining experience, while helping to provide improved performance for operators.

“As we evolve and adapt our slots content and as the sectors we operate in change, we believe that *Black Knight Community* will engage new players in the community gaming concept.”

## **Forward-Looking Statements**

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on February 28, 2019 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
