

Your Turn to Play: Light & Wonder's Squid Game Slots Now Live

Game now available in California at Yaamava' Resort & Casino

LAS VEGAS – July 31, 2024 – [Light & Wonder, Inc.](#) (NASDAQ and ASX: LNW) (together with its subsidiaries "Light & Wonder," "L&W" or the "Company") today announced that its *SQUID GAME* slot machine is now live on casino floors with the title having made its world debut at Yaamava' Resort & Casino.

Based on the widely acclaimed and most-popular Netflix series of all time, *SQUID GAME*, the captivating theme seamlessly integrates iconic games from the show such as Red Light, Green Light; Tug of War; and The Glass Tile.

"The introduction of the *SQUID GAME* slot machine is a testament to our commitment to delivering unique and engaging gaming experiences," said Nathan Drane, Chief Product Officer, Gaming at Light & Wonder. "By bringing such a culturally significant and widely recognized theme to our cutting-edge *HORIZON*[™] and *COSMIC*[™] cabinets, we are offering players an unparalleled level of excitement and immersion, while giving our customers a truly innovative product."

The iconic theme makes its global debut on Light & Wonder's new large-screen jumbo cabinet, *HORIZON*. The visually impactful machine is the next evolution of Light & Wonder's highly successful jumbo cabinet and features a 75-inch screen with 600,000 individual micro-LED pixels taking the display area to a massive 90-inches. The barrier-breaking cabinet also offers a large, transparent *IDECK*[™] with integrated lighting, 27-inch touch screen, mobile charger and dual play buttons for an immersive and seamless player experience.

The Company also introduced a digital adaptation of the theme earlier this year, further cementing Light & Wonder's position as the leading cross-platform global games company.

Forward-Looking Statements

In this press release, Light & Wonder makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results, or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks, uncertainties and other factors, including those factors described in our filings with the Securities and Exchange Commission (the "SEC"), including Light & Wonder's current reports on Form 8-K, quarterly reports on Form 10-Q and its annual report on Form 10-K that was filed with the SEC on February 27, 2024 (including under the headings "Forward-Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Light & Wonder's ongoing obligations under the U.S. federal securities laws, Light & Wonder undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
