LAS VEGAS, Aug. 24, 2018 /PRNewswire/ -- Scientific Games Corporation (NASDAQ : SGMS) ("Scientific Games" or the "Company") has launched sports betting with Caesars Entertainment, powered by its world-class *OpenBet*™ product suite. Caesars' Horseshoe Tunica Hotel & Casino processed its inaugural bet on August 14, ushering in a new era of sports betting for the state of Mississippi. Harrah's Gulf Coast Hotel & Casino in Biloxi, Mississippi also started offering sports betting on August 20, marking another landmark launch for Caesars.

Chris Armes, Chief Technology Officer for SG Digital, said, "Scientific Games remains committed to providing next level experiences to sports betting players through our best-in-class *OpenBet* sportsbook platform. The launch of sports betting in Mississippi is not only a great step forward in our partnership with Caesars, but also a testament to our commitment to speed to market delivery, as we pivot our business to stay agile and adaptable. The deployment of Caesars sportsbooks has been one of the fastest ever deployments of our platform. Our cross-functional teams across the globe worked tirelessly from commercial sign-off through to go-live."

Keith O'Loughlin, SVP Sportsbook for SG Digital, said, "We're thrilled to see such a successful launch in Mississippi. This is our fourth property launched in three weeks, and these initial installations are paving the way for amazing revenue growth for our partners and allowing us to showcase our speed to market capabilities. The teams at both SG Digital and Caesars did a fantastic job delivering a world class solution to players in Mississippi."

Scientific Games' deal with Caesars also includes solutions for its property in Atlantic City, New Jersey, which went live on July 30, 2018.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 3, 2017 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking

statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
